## SUMMER PIANO LESSONS

**WEE BEGINNERS** (4-5 year olds) provide an introduction to the traditional one-on-one piano instruction setting. Our relaxed, upbeat environment contributes to a pleasurable experience of exploring music through piano lessons. This unique program incorporates piano orientation with playing, singing, creative movement, dramatic play, rhythmic activities, and artwork.

### PIANO (ages 6+)

Students enjoy learning in a traditional one-on-one instruction setting. Individual lessons are designed to build a solid understanding of music fundamentals and basic piano skills.
